

Amos Wagner

May 25, 2026

Amos was the epitome of what it means to be a dang good dog. Freak of nature, if you will. Thirteen and a half years of being gentle, loving and just all around awesome. We're gonna miss the big fella, but he lived a great life. Pops is happy to have his "amie", as he called him, home and chasing tennis balls. Best Christmas gift ever. Melissa got Amos for me, not realizing we were pregnant with our first born, and it is the best gift I've ever received. Amos and Kael grew up together.
