“ *Didn't ever think that losing a dog would ever be this hard and emotional for me but was I wrong, Harley you will always hold a very special place in my heart forever I love you baby girl* ”

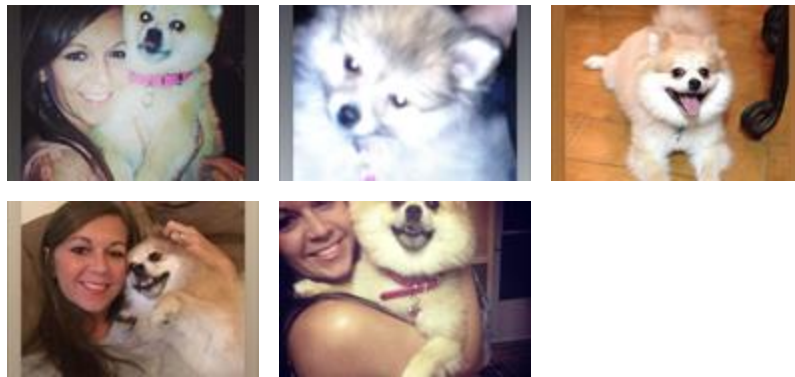

Trent Ivy - March 13 at 10:47 AM

“ Harley was my best friend, soul dog and child all in one perfect blessing. I never deserved her but I sure do love her and miss her. It will be hard without her. I don't even know what to say besides life feels awful with her gone. We experienced so much in 14 years it's going to be hard. The best baby girl I could have ever had. The best dog ever really I was very blessed to love her and have her love me. We could use all the prayers right now. I know we are all grieving her badly.

Love always

Trent, Tela, Buddy, Mia and Boe your family forever
