“💔 Our hearts are broken over losing our big boy 🥺 Sunny was such a good boy! He was so lovable & funny. Brody loved his Sunny & would always make sure he was inside at night & in his room when he wasn't sleeping in Marlea's room. He was sneaky & you might find him sleeping in the oddest places lol He especially liked taking Peepaw's chair if he got up but Peepaw would just let him have it. He would never drink out of his water bowl but make a mess in my bathroom sink trying to get water which everyone but me allowed. I would pick his big fluffy self up & take him directly to his water bowl & try to teach him that was where his water was. He sometimes would prefer to eat Tinkerbell's dog food instead of his cat food. But he was spoiled & loved so very much & I am thankful he knew it. He was a big fur ball of fun & will be greatly missed by all the family especially Brody Payne. R.I.P. Sunny
